### EXTRA FIELD TEAM FOR ANNUAL ROAD CONDITION DATA COLLECTION 2020

Due to the urgency of the Unpaved and paved roads condition surveys currently being undertaken on the network, we have mobilized extra teams to reduce on the time taken to complete this assignment. This team is expected to work starting March and complete by end of April 2020.

The purpose of this memo therefore is to request for your approval for facilitation in form of transport and field allowances and other logistics as listed here below.

| No | Description           | Rate    | Days per person | Total             |
|----|-----------------------|---------|-----------------|-------------------|
| 1  | 2No Field Assistants  | 100,000 | 31              | 6,200,000         |
| 2  | 1No Fleet Assistant   | 100,000 | 31              | 3,100,000         |
| 3  | 2No Traffic Policemen | 50,000  | 31              | 3,100,000         |
| 4  | Flag Men (2)          | 50,000  | 31              | 3,100,000         |
|    | <b>Sub Total</b>      |         |                 | <b>15,500,000</b> |
|    |                       |         |                 |                   |

The total cost estimate for this exercise is UGX 15,500,000 (Fifteen Million, Five Hundred Thousand shillings only).
